1. Score the 4-1/4" X 9-3/4" piece of Garden Green cardstock at 5-1/2" and fold to form the card base. The card front will be shorter than the back.
2. Run the 4" X 4" piece of Whisper White cardstock through the Big Shot with the Cable Knit Folder. Mount to the card front. Mount the 4" X 5-1/4" piece of Whisper White cardstock to the inside back of the card base. Mount the 1-1/2" X 4" piece of Quilted Christmas DSP paper to the bottom of the Whisper White piece. Mount the thin strip of DSP at the top of the red star piece. Wrap the length of ribbon around the card front and tie a bow to the right front of the card front.
3. Stamp the cup in Tuxedo Black ink on to Whisper White cardstock. Stamp the snowflake in Soft Sky ink over the cup. Stamp the whip cream in Smoky Slate ink on Whisper White. Stamp the straw in Garden Green. Stamp the sentiment in Garden Green and Real Red inks onto Whisper White cardstock. Die cut with coordinating dies. Mount the 2-1/8" X 3-5/8" Real Red cardstock on to the Garden Green cardstock mat. Go over the whip cream with the Clear Wink of Stella. Die cut a Garden Green cup wrap. Cut the Garden Green piece in half. Glue the top half of the Garden Green wrap piece behind the stamped sentiment piece with about 1/8" peeking up above the top. Glue the bottom half to the bottom with about 1/8" showing below the stamped wrap piece. Glue to the front of the cup. Glue down the cup and whip cream onto the Real Red piece. Glue the straw down with the bottom of the straw tucked into the cup. Mount the piece to the card front with dimensionals. Place the cup piece so about 3/4" is overhanging the card front. Be sure not to place any of the Dimensionals on the backside of the overhanging portion.
4. Die cut a small and medium snowflake from the Real Red cardstock. Cover the snowflakes with Clear Wink of Stella. Glue to card front as pictured.
