1. Score the 5-1/2" X 8-1/2" piece of Real Red cardstock at 4-1/4" and fold in half to form the card base.
2. Stamp the "Deck The Halls" in Garden Green ink onto the 3-1/2" X 3-3/4" piece of Whisper White cardstock. Place the image toward the bottom of the square. Die cut with the largest Stitched Shape Square. Move the die down to the top of the sentiment and run through the Big Shot again with the square moved. This will cut off extra white cardstock. Die-cut the Garden Green cardstock with the 2-3/4" scalloped square die. Move the die down to cut the scalloped cardstock smaller to fit the sentiment piece.  
Layer.
3. Stamp the ornament images on one of the 4" X 5-1/4" Whisper White pieces. Stamp in Garden Green ink on the right side. Stamp one of the ornament images closer to the top and the other one down a little way to the right hand side. You will have to draw the strings with the Garden Green marker to meet the top of the cardstock. Run through the Big Shot with the Holly Embossing Folder. Run both ornaments dies through the Big Shot with Red Glimmer Paper. Glue the die-cut ornaments over the stamped Garden Green ornaments.
4. Use the Big shot and the tree dies to die-cut Dazzling Diamonds Glimmer trees. Color the trees with the Dark Old Olive Blends Marker. Mount the double trees to the card front to the lower left of the ornaments. Affix the layered sentiment piece to the upper left of the embossed Whisper White cardstock.
5. Wrap the length of Real Red ribbon around the card front and tie a bow to the left side. The ribbon will go over the trees and under the sentiment piece.
6. Mount the single tree to the right of the sentiment with Dimensionals. The tree will go over the ribbon and just go over the sentiment piece. Mount to the front of the card base.
7. Stamp the inside as desired.
